To whom it may concern,

First of all I would like to give Johnathan and Jay the highest verbal ovation for their professionalism and unswerving benevolence to the St. Louis Hip Hop Museum.

Both, including the secretaries and staff are of first caliper, always had a solution for every question, very accessible, beautiful attitudes, and extremely dedicated and knowable to their craft.

We look forward to doing business with you in the near future and will recommend European Tile & Marble Co., to anyone that works in concert with the St. Louis Hip Hop Museum. Thank you all very much.

Sincerely,
