Dear Michael,

We just want to thank you for leading us to have European make and install our new granite Countertops.

We are very pleased with our selection of Tan Brown with the Cherry Cabinets and I'm glad you encouraged us to include the "character" ribbon across the end of the angled cabinets. I just love looking at the beauty of the stone.

Also, we want to say that everyone who worked on the job was wonderfully com-

retent and friendly: I es-
pecially thank Anthony for
taking time to make a chopping
block for us from the Cook-
top Cutout. We would be
glad to recommend European
to anyone looking for a
granite countertop.

Thanks again and hope
things are working out well
for you.

Sincerely,

Don Marion
